13. Relate Back

Amend the specification by inserting, before the first line following the title, the following sentence:

A. 35 U.S.C. Sections 120, 121 and 365(c)

"This application is a continuation of copending application of copending application Application number 09/821,396 filed on March 29, 2001."

14. Maintenance of Copendency of Prior Application

A. Extension of Time in Prior Application

A petition, fee and response extends the term in the pending **prior** application until November 29, 2003.

A **copy** of the petition filed in prior application is attached.

15. Further Inventorship Statement Where Benefit of Prior Application(s) Claimed

- (a) This application discloses and claims only subject matter disclosed in the prior application whose particulars are set out above and the inventors in this application are the same.

16. Abandonment of Prior Application

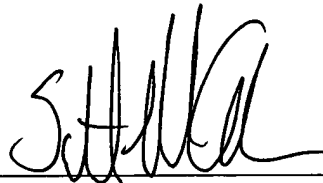

Please abandon the prior application at a time while the prior application is pending, or when the petition for extension of time or to revive in that application is granted, and when this application is granted a filing date, so as to make this application copending with said prior application.

17. Small Entity (37 C.F.R. § 1.28(a))

Applicant has established small entity status by the filing of a statement in parent application 09/821,396 on March 29, 2001.

18. NOTIFICATION IN PARENT APPLICATION OF THIS FILING

A notification of the filing of this continuation is being filed in the parent application, from which this application claims priority under 35 U.S.C. § 120.

* Only the date of filing ('1.6) will be the date used in a patent term adjustment calculation, although the date on any certificate of mailing or transmission under '1.8 continues to be taken into account in determining timeliness. See '1.703(f). Consider "Express Mail Post Office to Addressee" ('1.10) or facsimile transmission ('1.6(d)) for the reply to be accorded the earliest possible filing date for patent term adjustment calculations.
